

CAMP OVERVIEW

The Veraneo de Fútbol soccer camp's goal is to provide a great camp experience emphasizing learning in a creative, fun, and challenging environment. Camp participants will have the opportunity to develop as players and individuals.

A typical day will concentrate on a different technical (skill) area of the game in the first session (8:45am – 10:30am). After a snack break, tactical training will take place in the form of small sided games during the second session (10:55am – 12:15pm).

Coach Rusk has put together a staff of current and former club and high school coaches, college players, and current club players. Our staff is chosen for their knowledge of the game and experience in working with players of different abilities and ages.

Gregory Rusk is the Director of Coaching for the Northern Soccer Club. Greg's 25 years of coaching experience includes youth, high school, college, and professional levels. He holds a USSF "A" License, a NSCAA Advanced National Diploma, and USSF National Youth License. Greg is fluent in English and Spanish.
